EMV is a registered trademark in the U.S. and other countries, and an unregistered trademark elsewhere. EMV® is a registered trademark owned by EMVCo LLC. Android Pay is a trademark of Google Inc. Apple Pay is a trademark of Apple Inc., registered in the U.S. and other countries.

1. After deposit of transactions and only when you direct payment of your settlement funds to a Bank of America business checking account. Valid only on Visa®, Mastercard®, Discover® and American Express® transactions. Exceptions may apply.

2. Use of TransArmor® products does not guarantee that your systems will not be breached or cause you to be compliant with the Payment Card Industry Data Security Standard or Card Organization Rules. There may be an additional monthly cost for TransArmor® products. Requires eligible equipment. Clover systems include TransArmor data protection for encryption and tokenization services at no additional charge.

3. Third party services are provided by third party developers through applications available in the Clover App Market. Bank of America Merchant Services does not provide, and is not responsible for, applications from third party developers or their third party services. The Clover Go mobile payment acceptance device does not include access to the Clover App Market.

4. To enable the 3G functionality of Clover Flex, Clover Mobile and Clover Mini, merchant must have a 3G data plan through T-Mobile® or AT&T®. The devices come with an AT&T SIM card and merchants can get an AT&T data plan through the Clover App Market for an additional monthly charge. To enable with a T-Mobile data plan, merchants must separately purchase a T-Mobile SIM card and contract with T-Mobile for a data plan. Clover Flex does not have check acceptance capabilities.

5. Clover Station requires Clover Mobile, Clover Mini, or FD40 equipment to accept EMV®, NFC, and PIN Debit. Clover Station requires a Clover Mini or a display pole for merchants in jurisdictions that require a cardholder facing display.

6. Clover Go is compatible with the majority of Apple® and Android™ platform enabled smartphones and tablets. Requires wireless internet or cellular connection. Must download the free Clover Go by Bank of America Merchant Services app onto your smartphone or tablet. Clover Go cannot accept PIN Debit, EBT or gift cards. The Clover Go Bluetooth® reader accepts NFC transactions, but the non-Bluetooth version does not. Clover Go does not support offline transaction processing.
